Grape expectations with **KERRY SKINNER**

Kingston Estate 2007
Echelon Shiraz \$25

The usually flamboyant winemaker Bill Moularadellis has kept a somewhat low profile in recent years. But now he's back with this super shiraz and a petit verdot from his top shelf Echelon label. It's a smart red indeed, brooding and robust with layers of berry fruit, clever oaking and fine, silky tannins. Drink with rare roast beef.
