BARGAIN OF THE WEEK

Kingston Estate Chardonnay, Padthaway 2010, \$14

Rich peach and tropical fruit aromas with a light trace of oak, well-handled. It's rather light and short on the palate but a very pleasant drop of chardonnay – and look at the price. Fairly forward, so drink now; don't keep. 13.5 per cent alcohol. 86/100.

Food Chicken kebabs.
