### 2010 Kingston Estate - Sauvignon Blanc

Wine

Country of origin: Australia  
 Area/Appellation: Adelaide Hills  
 Variety/Style: Sauvignon Blanc  
 Cellaring: Drink now  
 Supplier Agent: Kingston Estate  
 Availability: Readily  
 Price Range: \$14.00

#### Tasting Note:

Despite being based up on the Murray, this range of Kingston Estate (there are some good reds as well) are all based on two premium vineyard areas. In this case Adelaide Hills and Mount Benson, arguably the two best sources for the variety in South Australia. Intense and feisty with passionfruit, sorrell and citrus aromas and a fleshy mid-palate and lime-acid finish.

Great value, especially considering its source.
