

2012 KINGSTON ESTATE CABERNET SAUVIGNON

THE WINE

REGIONS

Coonawarra
Clare Valley

VARIETY

Cabernet Sauvignon

COLOUR

Deep crimson red
with purple hue

BOUQUET

Cherry and cassis fruit,
balanced with mint and mild
herbaceous characters and a
hint of coconut oak.

PALATE

Medium to full bodied showing
dark fruits with a touch of leafy
blueberry and violet. The
structure is firm but rounded
with a finish of mint and sweet
oak.

SERVING SUGGESTION

Perfectly paired with red meats,
hearty tomato pastas, strong-
flavoured cheese, and
chocolate.

CELLARING

Under ideal conditions will
develop further flavour
complexity to 5 years.

REGIONS

The diversity across South Australia's many wine regions ensures that each vintage, wines of very different styles can be produced from the same variety. The Kingston Estate range of single varietal wines are crafted to display distinctive varietal character through careful region selection. The best characteristics of one or more regions, often a combination of warm and cool climate, are matched and blended to provide the perfect synergy of regional definition and varietal integrity.

This Cabernet Sauvignon benefits from the unique characteristics of two superb South Australian wine regions, the **Coonawarra** contributes to the richness of traditional dark fruit flavours while the **Clare Valley** enhances with intensity of colour, firmness of structure and complexity of finish.

WINEMAKING

Individual vineyard components were fermented separately in small static fermenters.

Ferment temperatures started at -20°C then were allowed to peak at $28-29^{\circ}\text{C}$. Wine was pressed off skins when dry and the heavy pressings were omitted from the blend.

Once fermented, the parcels were matured in American and French Oak to gain flavour complexity and integration.

ANALYSIS

Alcohol:	14.0% Alc/Vol
Total Acid:	5.9g/L
pH:	3.64
